

RELIEF LINE

Stakeholder Advisory Group Meeting #3

Monday, February 22nd, 2016
6:00 – 8:00 p.m.
Church of the Holy Trinity (Nave)
10 Trinity Square

Objectives

SAG members participating in this meeting will gain an understanding of the results of the evaluation of Potential Corridors leading to the recommended Preferred Corridor for the Relief Line. They will be able to speak positively about the project with their networks and constituents during the consultation period and leading up to the public meetings on the Relief Line project.

The objectives of SAG Meeting #3 are:

1. To provide an update on the City's current transit planning initiatives.
2. To present and discuss the results of the evaluation of Potential Corridors and the Recommended Preferred Corridor for the Relief Line.
3. To consider the potential alignments and station locations within the Preferred Corridor and to provide guidance to the Project Team on considerations for the next phase of the Relief Line Project Assessment.

Agenda

5:30 - 6:00

Arrive, meet & greet, light refreshments

Information panels and study materials will be available for review.

6:00 - 6:10

Welcome, formal introductions

The meeting will begin promptly at 6:00 p.m.

6:10 - 6:30

Presentation

The Project Team will provide an overview of:

- Transit Network Planning Initiatives
- Update on Relief Line Project Assessment progress since the last meeting (June 9, 2015)
- Results of Corridor Evaluation Process
- Recommended Preferred Corridor

6:30 - 7:00

Discussion

Following the presentation, participants will have the opportunity to ask questions and discuss the evaluation process and recommended Preferred Corridor.

7:00 - 7:45

Workshop

Participants will be introduced to emerging potential alignments by the Project Team. In small groups, a Facilitator will guide participants in a discussion about the potential alignments and considerations for locating station entrances. Each group will provide a report back to the room as a whole. This input will be very useful for the next phase of the study.

7:45 - 8:00

Wrap-up

Next steps and closing remarks.
