

RELIEF LINE LOCAL SEGMENT PUBLIC MEETING

We invite you to attend a public meeting to learn more about the work on the Relief Line Local Segment.

In July 2016, Toronto City Council approved a preferred alignment and station locations for the Relief Line (Pape to Downtown via Queen/Eastern) subject to assessment of an additional alignment within a local segment on Carlaw. The purpose of this public meeting will be to present the technical work completed to support evaluation of local segment options and discuss the preferred alignment.

The City of Toronto's City Planning Division, together with the TTC, is planning a new rapid transit line to connect the Yonge-University-Spadina Subway downtown to the Bloor-Danforth Subway east of the Don River.

For more information and to submit online comments, please visit reliefline.ca. Meetings are wheelchair accessible, contact us if you require other accessibility accommodations.

Wednesday, April 5

Morse Street

Public School

180 Carlaw Avenue

6:30 pm – 8:30 pm

Presentation begins

at 7:00 pm.
